SCHEDULE NORTHEAST 2025 - Skills Session

Goal Scoring

Lquipinein

- Balls
- 2x Cones (taller, traffic-type cones or poles work best)
- Throw down markers (optional)
 - If attackers are carrying too far, add a "shooting zone" at the top of the circle to encourage attackers to shoot early

Focus

Top circle goal scoring

How to play:

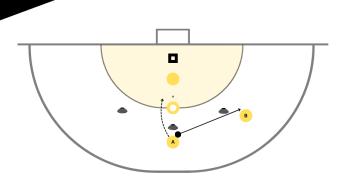

- Attacker & defender start inside the circle
 - Attacker runs around the cone to collect the ball, carry into the circle & shoot.
 - Lose the defender using dummies & fakes
 - Prevent the tackleback by cutting off the defender if they are close
 - Defender must follow the attacker around the cone, whichever way they go. They aim to safely pressure the attacker, gain possession & carry back outside the circle
 - Play out any rebounds & transitions
 - Alternate sides

Modify challenge:

- <u>Delayed defense</u> defender cannot move until the attacker gets to the cone
- Add attacker after shooting the attacker stays in for the next rep, playing inside the penalty spot (2v1). Attacker can then choose to shoot or play for the deflection
- Post up add a second ball that is played into the attacker after they shoot. They post up (lead back to the ball) to receive & aim to score with their back to goal

Skill Station 1

Equipment:

- Balls
- 3x Cones
- Throw down markers (to create mini circle)

Focus:

Close-to-goal scoring

How to play

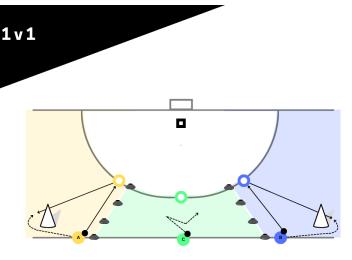

- 3v1 exercise. Attackers must be in the mini circle to score
- Attackers always start by passing from A \rightarrow B & play on from there
- Defender is released when the ball moves & aims to limit the attackers opportunity, gain possession & carry out of the mini circle
- Play out any rebounds & transitions
- · Alternate sides
- [Option: create 2 teams with each team attacking for a set period of time or number of balls. Most goals wins!]

Modify challenge:

- Bigger space increase the size of the mini circle
- Multi-ball if the attackers score, another ball is fed into play by the coach. Keep feeding balls until they don't score (or to a maximum number of balls)
- At the double 1-touch goals are worth 2pts (if playing a 2-team competition)

SCHEDULE NORTHEAST 2025 – Skills Session

Equipment:

- Balls
- Cones (to create channels)
- 2x Cones (taller, traffic-type cones or poles work best)

Focus

Attacking & defending 1 v 1

How to play

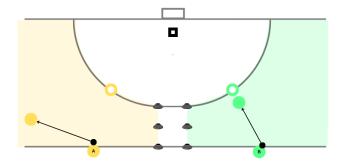

- 3x 1v1 channels
- Attackers aim to score or create a circle outcome
- Defenders aim to limit the attackers opportunity, gain possession & maintain possession for 3s
- A & B: Attacker passes to defender before running around the cone to receive the return pass to begin
- C: Attacker self-starts to begin
- Play out any rebounds & transitions
- [Option: create more, or fewer, channels depending on the group size & space available]

Modify challenge:

- <u>Side pressure</u> rather than starting in front, defenders start level with the attackers
- Cascade both players stay in after their rep creating a 1v1
 → 2v2 → 3v3 exercise
- Tackle back add an extra defender who starts behind the attacker providing tackle back pressure & creating a 1v2 (& a natural "timer" to win your 1v1 quickly!)

Skill Station 3

Equipment:

- Balls
- Cones (to create channels)

Focus:

Attacking & defending 2 v 1

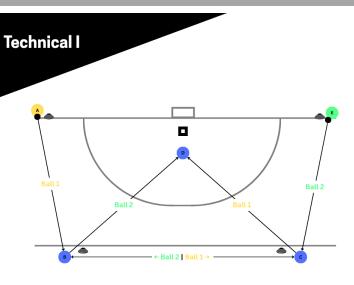

How to play:

- 2x 2v1 channels
- Attacker starts with a pass to their teammate & aim to score or create a circle outcome
- Defenders aim to limit the attackers opportunity, gain possession & maintain possession for 3s
- A: Attackers start level with each other
- B: Attackers start vertically with one posting up in front of the defender to start the exercise
- Play out any rebounds & transitions
- Play option A on both sides followed by option B on both sides Modify challenge:
- <u>Smaller space</u> make the channels narrower by bringing the sidelines in
- Quick strike add a 6s timer (modify the time to meet the level of the group). Goals scored inside the time are worth double
- Tackle back add an extra defender who starts behind the attackers creating a 2v2

Skill Station 4

SCHEDULE NORTHEAST 2025 - Skills Session

Equipment:

- Balls
- 4x Cones

Focus

Moving the ball (over distance)

How to play:

- 2-ball passing & deflecting-to-score exercise
- Ball 1: $A \rightarrow B \rightarrow C \rightarrow D \rightarrow Goal$
- Ball 2: $E \rightarrow C \rightarrow B \rightarrow D \rightarrow Goal$
- Start ball 2 as soon as player C passes ball 1 to player D
- Players rotate clockwise, i.e., $E \rightarrow C \rightarrow B \rightarrow A \rightarrow D \rightarrow E$
- Multiple players can be waiting at each position

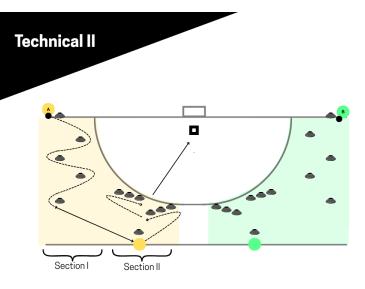

Encourage players to:

- Showcase the passing skills that they have in their toolbox, e.g., hit, sweep, aerial, backhand hit, power push
- Stay mobile reposition after passing; dynamic receptions

Modify challenge:

- <u>1-ball</u> play 1-ball only
- Shorter reduce the passing distances
- Overhead add an obstacle (spare goal or GK) on the line of the first pass for each ball. Players must use an aerial to complete the pass

Skill Station 5

Equipment:

- Balls
- Cones

Focus:

Moving with the ball

How to play:

- Pass & follow technical circuit
- · Alternate sides
- Players stay on the same side for 4-5mins before swapping & repeating
- Select & progress technical elements to showcase the abilities of the group

Section I options include:

- · Simple dribble using forehand & backhand
- · Forehand only
- Body sway (feet outside; ball inside)
- Left → right & right → left pulls

Section II options include:

- Left \rightarrow right \otimes right \rightarrow left pulls
- V-pull
- Pulls + 3D skill

Modify challenge:

 Keeper-sweeper - add a GK playing above the penalty spot. Attacker must eliminate the GK in order to shoot
