

The NFHCA Winter Escape Showcase Expands Age Divisions

7 v 7 format for U10, U12 and U14 added to the premier national event

Boston, Mass. March 19, 2026 - Performance Sport Events (PSE) is excited to announce the addition of 7-vs-7 competition for U10, U12, and U14 divisions at the [2027 National Field Hockey Coaches Association \(NFHCA\) Winter Escape Showcase](#).

PSE, the nation's largest youth field hockey event operator, is a nationally recognized organization that provides regional and national opportunities for athletes, coaches, and programs at all levels and age groups.

"We are confident the new format and additional age divisions will enhance the event and provide more options for clubs to attend while servicing their entire program at all age groups," said Cate Clark, Executive Director of the NFHCA.

Since its launch in 2016, the NFHCA Winter Escape Showcase has grown into one of the country's premier recruiting events, welcoming more than 200 college coaches annually. Held immediately following the NFHCA Annual Convention; the event is proudly hosted by the NFHCA in alliance with PSE.

With the commitment of Seminole County and Boombah Sports Complex, a state-of-the-art facility featuring nine fully turf and lighted fields, along with the conversion of six adjacent baseball fields to turf, the opportunity to host 7-vs-7 competition has moved from a wish list to a reality.

The Winter Escape Showcase is more than a recruiting event; it is an extension of the NFHCA's mission to champion, strengthen, and celebrate field hockey coaches and the game. This expansion provides clubs with a premier national tournament that can now serve multiple age divisions in one centralized location.

"We are thrilled. Boombah is a first-class facility that just got better," said Ainslee Lamb, CEO of Performance Sport Events. "The renovations by AstroTurf, a NFHCA and PSE partner, to install turf on the six baseball fields across the street allows this event to expand opportunities for participating clubs."

Registration for the 2027 NFHCA Winter Escape Showcase, held January 15-17, 2027, will open **July 8, 2026, at 6:00 PM EST**.
